How much does E-Giving cost?
It will not cost you anything. The benefits outweigh the nominal transactions the church incurs.

Is E-Giving Secure?
Absolutely! Our provider has the highest security standards and is PCI Level 1 Compliant.

What do I put in the offering plate when it comes around during worship?
Faith will be providing cards in the pews that you may utilize as an outward symbol of your church giving; these cards will be reused. Also, you will receive a printed receipt of your donation that can be used to place inside your envelope to put in the offering envelope.

What if I try it and I don't like it?
You can cancel your automatic deduction schedule on the website at any time.
