NOTE TO THE CONGREGATION: We would like to issue a “challenge” of sorts to our fellow congregation members. Thanks to the Miller’s gift and the work of the Building Committee, our Church has a plan to provide better accessibility to our facilities. However monetarily, it will fall somewhat short. We have chosen to contribute monthly to the Building Fund. We are blessed to be able to do this. However we remember our leaner years, so in addition, we are trying to “think outside the box”. For example, we had a garage sale this summer. We will donate our proceeds of \$92.50 to the Building Fund. We are also keeping track of the times we are tempted to go out to eat, but choose not to, and donate that to the Building Fund as well. We are challenging you to think about your situation and your talents, and help Faith UMC turn pennies into dollars. Good Luck! And blessings to you all! --Lee & Patty McQueen

During the summer (June, July & Aug.) we will be doing a hymn sing on the last Sunday of the month during worship, the congregation will get to choose the hymns.
