SOFTBALL 2015 SEASON WRAP UP

Faith's Softball Team finished out their 2015 season on July 20 with a win, making our season 10 and 1!!! We received the Co-Rec League Champion Plaque pictured.

On behalf of the team, we would like to thank everyone for their prayers and support from the stands this season and our previous three seasons. This team has been a mission from the start, spreading good sportsmanship and fun at the ballpark; sharing Christian love with each other; and showing the

love of God to others. This year we raised at least \$140 for the Building Fund through the "Box Seats". The team also provided some support for a family in need.

Four years ago, Otto & Elma Lorenz paid our entry fee. Since then, the team has had 48 players. We weren't always very good, but that was okay because we were having fun! God is Good --- All the Time!

Thanks Faith!

Nurse's Notes

National Immunization Awareness Month

Immunization helps prevent dangerous and sometimes deadly diseases. To stay protected against serious illnesses like the flu, measles, and tuberculosis, adults need to get their shots - just like kids do.

National Immunization Awareness Month is a great time to promote vaccines and remind family, friends, and coworkers to stay up to date on their shots.

How can National Immunization Awareness Month make a difference?

We can all use this month to raise awareness about vaccines and share strategies to increase immunization rates with our community.

2015

Thank you everyone who helped with Vacation Bible School in any way, as a volunteer, a donor for supplies or as a group the provided meals for our volunteers. We had an average of 34 kids per night and the kids raised \$72 dollars to help purchase bibles for kids in Thailand.

Thank you again.
