

Faith in Action

SEPTEMBER

As you might remember, the head of a company survived 9/11 because his son started kindergarten.

Another fellow was alive because it was his turn to bring donuts.

One woman was late because her alarm clock didn't go off in time.

One was late because of being stuck on the NJ Turnpike because of an auto accident.

One of them missed his bus.

One's car wouldn't start.

One couldn't get a taxi.

One spilled food on her clothes and had to take time to change.

The one that struck me was the man who put on a new pair of shoes that morning, took the various means to get to work but before he got there, he developed a blister on his foot. He stopped at a drugstore to buy a Band-Aid. That is why he is alive today.

Now when I am stuck in traffic, miss an elevator, turn back to answer a ringing telephone... all the little things that annoy me. I think to myself, this is exactly where God wants me to be at this very moment.

Next time your morning seems to be going wrong; the children are slow getting dressed, you can't seem to find the car keys, you hit every traffic light... don't get mad or frustrated. It may just be that God is at work watching over you.

May God continue to bless you with all those annoying little things and may you remember their possible purpose.

Flu Campaign

Flu is a respiratory infection caused by a number of viruses. The viruses pass through the air and enter your body through your nose or mouth. Between 5% and 20% of people in the U.S. get the flu each year. The flu can be serious or even deadly for elderly people, newborn babies and people with certain chronic illnesses.

Symptoms of the flu come on suddenly and are worse than those of the common cold.

They may include:

* **Body or muscle aches**

* **Chills**

* **Cough**

* **Fever**

* **Headache**

* **Sore throat**

Is it a cold or the flu? Colds rarely cause a fever or headaches. Flu almost never causes an upset stomach. And "stomach flu" isn't really flu at all, but gastroenteritis.

The main way to keep from getting the flu is to get a yearly flu vaccine. If you get the flu, your health care provider may prescribe medicine to help your body fight the infections and lessen symptoms.

Dear Faith Family,

Shortly after surgery, I received a card that said "There is a circle of caring all around and you are right in the middle." That's what receiving a prayer quilt feels like. I've felt surrounded and supported and lifted by prayers for the past month. "Thank you" is a woefully inadequate expression for how much your phone calls, good thoughts, e-mails, cards, words of comfort and encouragement, and prayers mean to me. I truly am overwhelmed by the power of prayer. After meeting with my oncologist and a radiation oncologist to discuss test results, it was decided that I do not need either chemotherapy or radiation. GOD BLESS all my prayer warriors! I am grateful for each and every one of you. Thank you.

Suzann Christensen

Dear Faith Methodist Family,

I would like to say a big THANK YOU for the beautiful prayer quilt! Special Thanks to my friend Mary Helen Samp for presenting it to me. You have no idea how much this meant to me and how special it makes me feel every time I use it. I truly feel "covered in prayer".

Thank you for thinking of me.

Faith UMC Family Spotlight

Pat was born and raised in Kearney. Her grandfather, Ira Bailey, was raised here as well. He was a member of the old UB Church and Pat's Dad was a member of the Methodist Church. As a child she attended the First Christian Church. Pat left Kearney, after marrying, when she was 18. Pat was away from Kearney for about 25 years but made sure to return for visits off and on. She attended Faith in the late 70's and her family members have attended Faith for many years as well. When Pat returned to Kearney she made Faith her home church. She really enjoys Faith. Pat is a Mother of 6 children, the grandmother of 10 and great-grandma of 6.

Faith UMC Family Spotlight

I grew up in Derby, KS just outside of Wichita. My dad had a sailboat and so we camped, sailed and sang our way through many weekends at Cheney Lake. In my freshman year my mom remarried and we moved to Phoenix, AZ where I lived for 10 years. In 1990 I moved back to Wichita and completed my BA at Wichita State University. I worked at the Child Support Enforcement Office in Wichita and took a part time job at my home church, Saint Paul UMC, as the Christian Education Director. It wasn't very long before God called me into full time ministry and I began working towards becoming an Ordained Elder. During my time at seminary I began to date my Nebraska friend Greg. We married in July of 1999 in Kansas City at the chapel at Saint Paul School of Theology. After graduation I received a call from the

District Superintendent in Lincoln where I served at Southminster UMC for 8 years. During this time Greg served at Lakeview UMC and Roca UMC (part time during seminary), Warren UMC and Faith UMC (full time after graduation) all in and around Lincoln. Greg and I have four children- Beth Ann (22), David (17), Samuel (10 on Sept. 4) and Andrew (7 on Sept. 26). Greg pastors at the Pleasanton and Haven's Chapel UMC's. He is an avid bicycle rider and vacation planner. Beth Ann lives here in Kearney with my mom, Sue Miller, a retired music teacher. I have learned to love gardening through our church garden and I also like to scrapbook in my spare time. We recently adopted two Chihuahuas, Harvey and Cecil, into our family. They enjoy romping around in the backyard, barking at anything that makes noises outside, eating and curling up in laps for naps.

Thelma has lived in Kearney all her life with the exception of one year spent in Holdrege, NE. She graduated from Kearney High and married Ralph (Buzz) Wise. He passed away in 2001. They have four children, Mick Wise, (Sue), Sue Divan, (John), Nancy Straatmann, (Randy), Audrey Carrier (Ty), five grandchildren, Ryan Wise, Heather Hasbrouck, Lindsay Divan, Sarah Straatmann, and Hannah Straatmann. They also have ten great-grandchildren. Thelma is a very lucky lady as all her children, all her grandchildren and all her great-grandchildren live in Kearney. In 1954 Buzz bought a body shop and Thelma became a "silent" working partner as the bookkeeper. In 1956 Buzz & Thelma took on the Marine business and became Buzz's Body Shop & Marine Supply. In 1971 we became Buzz's Marine. Her son owns it today. Thelma was on the cradle role at Grace Evangelical, was baptized and joined the church in April 1943 or 44. In the past she has served on the Funeral and Wedding committees and more recently the Memorial Committee. She enjoys her church family. Since retirement Thelma's hobbies have included spending time with family, boating, fishing, beading, painting, woodcrafts, and some stamping with Sue's help.
